About Camp Wyndtree :

DAY CAMP

Camp Wyndtree combines gualified

staff, experienced horses, and great facilities to create an atmosphere where beginners can learn the basics and experienced riders can seek out new challenges. Everyone can expand their horsemanship knowledge and enjoy spending time with friends—both human and equine.

Campers generally ride twice each day, and when not in the saddle, will learn about horse care, health, equipment, and much, much more. Beginner / Intermediate camps will include horserelated crafts, games, and activities. Adult and advanced campers will focus on learning more about the American System of Forward riding, and unmounted sessions will be tailored to the specific interests and abilities of the group

What should I wear?

Safety is our number one priority! Our dresscode reflects the need to be as safe and

comfortable as possible. All students are required to wear an ASTM/SEI certified riding helmet whenever

on horseback. We have a limited number of helmets you may borrow, although students who ride regularly are encouraged to invest in a well -fitting helmet of their own. Bicycle helmets are NOT an acceptable substitute.

The ideal footwear for riding is hard-soled boots

or shoes with a low heel. Jodhpurs, breeches or jeans are acceptable. Be sure that your pants and socks are long enough to cover your ankles and lower legs.

A well-fitted shirt that can be tucked in is required. Tank-tops and other revealing attire is not permitted.

What to Bring Each Day...

- Lunch, a snack and PLENTY of water.
- Riding clothes, & boots, rain boots (if you have them), and a change of clothes. Many campers like to have a pair of shorts & a clean shirt to change into after riding is done for the day.
- Sunscreen, bug-spray, and any special medications you may need during camp.
 Please be sure to note any medical limitations on the application form.
